Civil & Environmental Consultants, Inc. Expands Massachusetts Operations with New Peabody Office

February 26, 2024

PITTSBURGH, PA — Civil & Environmental Consultants, Inc. (CEC) has opened an office location in Peabody, Massachusetts, expanding our current Boston-area operations.

The office is located at 2 Corporation Way, Suite 160, Peabody, MA 01960.

CEC has had a presence in Raynham, Massachusetts, since 2012 and is currently listed at #27 on the Boston Business Journal's list of Boston's largest engineering firms.

The Peabody location will expand the market for recruiting in Greater Boston/Boston North, allowing the firm to hire staff to support recent strategic hires in site/civil and environmental practice. Among them is Brian Potvin, P.E., who brings 27 years of experience to his role as Civil/Site Principal in the Peabody office. Potvin will be working to develop a market in the Northshore, as well as conducting staff mentoring and development for those joining CEC in the Peabody office. Potvin is skilled in designing and managing the development of residential, commercial, industrial, and mixed-use real estate development projects throughout New England.
