**Scott Brown Joins CEC to Lead Charlotte Expansion**

February 8, 2012

PITTSBURGH, PA — Civil & Environmental Consultants, Inc. (CEC) is expanding its operations in the southeast with the launch of the firm’s Charlotte, North Carolina office. It is the firm’s 14<sup>th</sup> office and represents a commitment to expand CEC’s capabilities to provide engineering and technical expertise associated with the planning, design, permitting and construction needs of private and public sector clients in the region. CEC currently provides services to the Solid Waste, Manufacturing, and Real Estate industries in North Carolina.

Scott L. Brown, P.E., formerly with Brown and Caldwell, will lead the new office. He was previously the Manager of Solid Waste Services with Mecklenburg County Solid Waste, where he was responsible for engineering and operations of the Foxhole Landfill and the Metrolina Recovery Facility – a materials recovery facility.

Mr. Brown, a long-time resident of the greater Charlotte area and a Vice President with CEC states, “This is a terrific opportunity to provide nationally-recognized engineering and technical services and industry leading expertise to the Carolinas.”

Mr. Brown is looking to grow the office with talent from the Greater Charlotte area. Mr. Brown will also focus on expanding the industries served by CEC in the region to include the Electric Utility and Mining Industries.

Headquartered in Pittsburgh, Civil & Environmental Consultants, Inc. (CEC) is a company of professionals who provide comprehensive industry-focused consulting services to advance our clients’ strategic business objectives; collecting, sharing, innovating and delivering knowledge, solutions and expertise in civil/site engineering, environmental services, ecological services, waste management and water resources.
